Foreward

The Roaring 20's were significant for their people and the carefree way in which these people spent their lives.

Today, we face the future uncertain of what lies ahead. The 20's have long passed, but life ever progresses. Man has succeeded in living in the past, but will the future prove to be a catastrophe?

Each senior must be able to face the future bravely and unafraid of what lies ahead. This will be necessary and vital if we are to be the leaders of tomorrow. As before, we can be certain of good as well as bad times. Therefore, it is up to us as individuals to determine whether we shall succeed or fail in these goals we have set.

The class of 1962 wishes the best to all the undergraduates. To the faculty we give our sincere thanks for all they have tried to teach us and all that we have learned.

Dedications!

Dedication

In appreciation for all that he has done for us, we, the Graduating Class of 1962, take great pride in dedicating this edition of the Maroon Log to

MR. GEORGE KIRBY

Mr. Kirby, you have guided many young people to success by giving all of your time and energy and extending a helping hand to any student who asked. Your kind disposition and warm smile have enlightened the hearts of every student at F.S.C.S.

This is only one small way that we can show you how much we need you and to assure you that we shall never forget all that you have done for us.

We hope you will remain in Frankfort for many years to come.

In Appreciation to Miss Adderly.

We wish to express our heartfelt thanks to Miss Grace Adderly for the patience and sincere interest she has shown throughout her years in Frankfort. We, the class of 1962 are happy to bestow such an honor.

Miss Adderly has been in our school system for 37 years and has taught classes in English, Mathematics, and Social Studies. She has seen the small Frankfort school system grow into a centralized school with new buildings and better facilities. One of her chief goals which she has gracefully attained has been to encourage us to work diligently and accurately.

For this and all that you have done, we thank you and we wish you the best always.

In Memory of Sharon Shannon

SHE CAME AND WENT

As a twig trembles, which a bird
  Lights on to sing, then leaves unbent,
So is my memory thrilled and stirred;-
  I only know she came and went.

As clasps some lake, by gusts unriven,
  The blue dome's measureless content,
So my soul held that moment's heaven;-
  I only know she came and went.

As, at one bound, our swift spring leaps
  The orchards full of bloom and scent,
So clove her May my wintry sleeps;-
  I only know she came and went.

An angel stood and met my gaze,
  Through the low doorway of my tent;
The tent is struck, the vision stays;-
  I only know she came and went.

Oh, when the room grows slowly dim,
  And life's last oil is nearly spent,
One gush of light these eyes will brim,
  Only to think she came and went.

NOTE CLASS

Class History

In looking back we see that important events headlined the twenties. We, the Class of 1962, have had our own headlines at F.S.C.S. Let us review these events as we have known and lived them.

After our eighth-grade graduation, the last to be held at Frankfort, the big year finally arrived. We entered our Freshman year. Being the first class to use the new building, we became readily adapted to our surroundings. Election of class officers was announced. President, Thomas La Puma; Vice-President, James Domina; Secretary, Karen Robinson; and Treasurer, Cynthia Rosbrook. Making an attempt to advise us were: Mr. Wallace, Mr. Spina, and Mrs. Pontolillo. Those representing us in the National Honor Society were: James Piazza, Josephine Caruso, Antoinette Julian, Francis Grates, and Edward Grainger. Our Student Council members consisted of Rosalie Maneen, Barbara Pandolf, Nellie Mae Di Sano and James Piazza. The first from our class to be chosen as J. V. cheerleaders were: Margaret Messina, Prudence Pelose, and Donna Lombardo. Finally to end the year off

perfectly, our very successful play, "The Fooling of Malvolio", was celebrated by a picnic at the Gorge, under the watchful eyes of Mr. Wallace.

A summer vacation gave them a chance to rebuild the school in anticipation of our sophomore year. Leading our charge into the school year were: President, Josephine Caruso; Vice-President, Donna Lombardo; Secretary, Karen Robinson; and Treasurer, Richard Stevens. Our advisors were Mr. Chuff, Miss Ingro, and Mr. Robinson. It was during this year that Prudy Pelose and Donna Lombardo rose from J. V. to Varsity cheerleaders. Our May Day attendants selected this year were Karen Robinson, and Lucille Potenza. Student Council members consisted of Josephine Caruso, Philip Ruggiero, Ben Juliano and Mary Lou Balio. Greatly adding to our finances was the sale of candy which was a huge success. More money was made through dances, concessions, and bake sales.

Entering a year that proved to be most active, we stepped into our roles as Juniors. All these activities were under the careful leadership of President, James Piazza; Vice-President, Charles

Valente; Secretary, Ben Di Piazza; and Treasurer, Barbara Lee Owen.

Student Council members elected during this year were: Leland Young, Lucille Potenza, James Piazza, and Nick Vivacqua. It was also during this year that James Domina, Thomas La Puma, Lee Young, David Horan, and Edward Grainger were chosen to attend Boys' State.

Selected as our May Day attendants were Frances Paratore and Donna Lombardo. To end the year off nicely, we finally got our class rings (Glory Hallelujah!)

Finally, what we all had been waiting for-our Senior year. Bill Tucker became our President, with David Ralph as Vice-President; Fran Paratore, Secretary; and Cynthia Rosbrook, Treasurer. Our Advisors were Mr. Wallace, Mr. Robinson, Mr. Stevick, and Mr. Giotto. We again realized the overwhelming need for money in our treasury and decided to sell Christmas and all-occasion cards. The profit was added to the amount earned from our Senior Play, "The Egg and I", which then resulted in the biggest sum ever earned. The cheerleaders were represented by Prudy Pelose, Marianne Scamardo and Mary Lou

Balio who cheered our football team to victory. Our Student Council officers elected by the student body were: President, David Horan; Vice-President, Jim Domina; Secretary, Mary Lou Balio; and Treasurer, Rosalie Diliberto. Senior representatives included: Tom La Puma, Karen Robinson, Prudy Pelose and David Ralph. Another highlight was the D.A.R. Good Citizenship Award presented to Rosalie Diliberto.

Later Kathy Stewart won the Good Homemaking Award sponsored by Betty Crocker. To add to the honors, Francis Grates placed second in the County American Legion Oratorical Contest. The Senior year was filled with anxiety, too, as we filled out college applications and awaited the fateful replies from various Directors of Admissions. Those receiving Regents Scholarships were Philip Cacciatore, Dave Horan, James Jeffalone, Antoinette Julian, John Schurman, Richard Stevens, William Storm, William Tucker, and Leland Young.

And now a close must come. We have spent the best years of our lives at F.S.C.S., but now we must find a new life. We, the class of 1962, shall cherish these memories in our hearts and minds forever.

And the Seniors

Go Rolling Along!

Class Prophecy

As we begin our tour about town, we see State Trooper SAM MINOSH taking chemists JOE ZAFFARANO and JIM DOMINA into custody for trying to blow up the town mayor DAVID SMIZZI. Court stenographer LINDA JUTEAU seems doubtful that the boys will get much less than a life sentence. Well, that's life boys. Their lawyer ESTHER MAE FALCONE, and her secretaries KAREN ROBINSON and NELLIE MAE DI SANO are having fun defending them anyway.

Going a little farther, we see the Frankfort Community Hospital. JIM JEFFALONE, chief doctor, is head of an internationally known staff that includes that world famous dental hygienist PRUDENCE PELOSE who last week told the world she had just discovered "where the yellow went." GLORIA ONOFARO is Jim's chief nurse and KATHY BUT is medical technologist. Other nurses on Jim's staff include BARBARA PANDOLF, who has just discovered "how to dance with a cast on her leg" and AMELIA PULEO whose new book "Your diet and Health" gives the newest recipes for serving sea weed. CYNTHIA ROSBROOK does all the therapy for the hospital.

Latest news! BILL STORM has just invented a four-story amplifier

designed for his stringless guitar. His assistant BILL FULMER was unfortunately trapped inside the six foot cathode tube when the electricity was on. ARLEIGH HAMAN, world famous electrician, was immediately called to pull the plug. Nurse RITA NEDZYNSKI was then summoned to administer first aid.

In its final stages of construction is the new Transoceanic bridge designed by draftsmen SALVATORE PARATORE and GEORGE AMENDOLARE who were honorably appointed by the new Secretary of State PETER PULEO. The bridge is under the supervision of that reknown civil engineer LELAND YOUNG.

We see that RALPH NICASTRO is still leading a wild life, but this time its as a wildlife conservationist.

TONI ANN DE LUKE, airline stewardess for Pan-American World Airlines, was doing wonderfully until she looked for the window and suddenly became airsick. Luckily her cousin DONNA RAE DE LUKE was on board and came to her rescue. Donna is now a great actress in Broadway stage productions. It seems that there was a talent scout in the audience at the senior play.

RIZZO on the moon to accumulate moon data. She will transmit facts

BILL TUCKER is now a Professor at Harvard. We also notice 3rd Grade Teacher JOSEPHINE CARUSO pulling off the overshoes of her 85 pupils.

Social Studies teacher JOE FAVAT can be seen coaching wrestling after school. Good luck, Joe!

ROSALIE DILIBERTO is teaching a class of 3000 students--via educational television.

English teacher ANTOINETTE JULIAN has been called before the Supreme Court for teaching her students that "It ain't wrong to say ain't". Her main rival is now retired English teacher by the unknown name of Mrs. Graves.

We read in the magazine "Newsweek" that our own PHILIP CACCIATORE, now an aeronautical engineer has just launched a rocket to Mars. Working with him was mechanical engineer BENEDICT JULIANO and Chemical engineer EDWARD GRAINGER. It seems they used a new type of fuel--forty gallons of Club Bourbon.

Talking of the space age, we have just learned that BILL DERBY and PETE WORLOCK, electricians, have converted electrical energy into space power and put their secretary JOANNE

to radio engineer JOE CACCIATORE--stationed on the earth.

As we pass Savy's Department Store we see that SAVY LOMBARDO, who just wanted to "graduate and get a job" is now owner of a large clothing shop. His head buyer is BARBARA LEE OWEN who has just left for a buying trip to Paris with her two private secretaries FRANCES PARATORE and ELIZABETH CROSS.

As we pass the bank, we learn that bank president DAVID HORAN has just absconded with $99,999.99--he dropped a penny on the way out.

Going by LA PUMA'S Pharmacy, we see Tom laboriously crushing herbs for his world famous asphidity bags. His secretary MARY LOU BALIO is seen busily writing out the formula for Dr. Tom's Miracle Cure-All. JOE GREEN is Tom's assistant.

A little farther on we see DAVE PUTNAM'S Auction House. Hmm--at the back door we notice Vet FRAN GRATES painting over bandaids. Why, could this be? Dave's not auctioning off used cattle--is he?

As we pass Sportello's Barber Shop, we see LOUIS SPORTELLO cutting that famous T.V. singer Perry Como's grey hair.

We learn that BENNY DI PIAZZA has just entered Penn State

(or is it vice versa?)

Moving on we see the Secretary General of the United Nations DAVID RALPH making the crucial decision on how many cumquots the world should grow. As his secretary, we see MARGARET MESSINA talking to HAROLD RAPPA, President of World Association of Cumquot Growers.

The town is having a great celebration in honor of PAT LASORELLA due to his completion of the Pope's portrait.

State Trooper JACK DEMPSEY is now seen taking in Business Manager LOUIS VULCANO for keeping inaccurate records. His secretary MARIANNE SCAMARDO seems to be the real cause of Louis' trouble.

We have just learned that DOROTHY CARBONE is traveling with the National Guard's 105th M.P. Company. (We wonder who she's following.)

Chemists JIM PIAZZA and RICHARD STEVENS have started a school for chemists. They are using the Kirby-Chemistry-Teaching Method. Their head teacher is a chemical technologist named CHARLES VALENTE. Lab technician is RICHARD TALARICO.

NICK VIVACQUA has finally found the perfect job--testing Sealy mattresses all day. He can't wait to get out of work, so he can go home and go to bed.

KATHY STEWART is head librarian at the Congressional Hall of Records. Now walking into the White House is TERRY BONGIORNO, Secretary to the President.

JO ANNE TRIPPEN is the new owner of the Campus-Inn--an old-folks' home for retired '62 Seniors.

BEN ROLCHIGO and RONALD UBLER have just invented the Shakespeare muffler, guaranteed not to muffle anything.

PHIL NICASTRO, famed engineer, has just built a machine that will translate French into English or English into French. I guess U.N. translator for the French prime Minister JOHN SCHURMAN, will have to look for another job.

ROBERTA IRONS, now runs a school for secretaries. PRUDY COSTANZA is teacher for "Business" secretaries and JUDY FARRELL is teacher for "Med." secretaries. But business is too good since NORMAN JONES, their advertiser, made a mistake and printed the cost of the course as $30.00 instead of $3,000.

LUCILLE POTENZA, once a 4th Grade teacher has now become principal of her school. Superintendent RONALD YELLE advanced to his position as Math and Science teacher by sheer hard work, brains, and effort.

Secretary ANN BONO has a new secretarial position at the water fountain. She is now the envy of all secretaries, including MARY ANN DAKIN.

PHIL SANDERS and BRIAN CARNEY can be seen roaming the hills during their year long hunting season. Their only problem is ALAN SCHMIDT and WILLIAM SHANNON who insist they have a right to hunt on the same hills.

DAWN VAN DEUSEN and DAVID GILLETTE, home on leave, have congratulated each other on their promotions as Major Generals in the Army. Dawn, of course, is in the WAC's.

I guess we've seen everyone--but wait. Here comes PHILIP RUGGIERO and JOHN RAPPA strolling down the street singing, "We ain't got a Barrell of Money."

I Remember !

I Remember:

– Mr. Bonomo's muscles.

-that nobody "out-twists" Phil Cacciatore and Kathy But.

-the time the Maroon Log Staff called manilla folders, "vanilla" folders.

-when Dick Talarico, on a class picnic, jumped into the Merry Widow with his clothes on, for a quarter.

-that during the Latin Banquet, Jim Jeffalone's toga tore in a very vital location.

-Mrs. Wilson - her hair, her lipstick, and her gracious smile.

-Mr. Giotto's homeroom - former angels who have lost their halos, and don't really care to find them.

-"Club 121" - alias Mr. Stevick's room.

-the time that Mr. Bonomo broke a yardstick trying to maintain order in Biology class.

-Mrs. Reina's Geometry class - twenty-three squares make a failing average.

-Caesar, Cicero, the Nominative case, and Latin Three Years - now let me forget it.

-the time the sewer backed up in Mr. Rossi's room and Barb Owen's feet got wet.

-Mr. Rossi - "speak softly and carry a BIG paddle".

Frankfort-Schuyler's 1961-1962 wrestling team did much to preserve Frankfort's sports reputation. By capping the Iroquois League Wrestling Crown, and placing third in the State Sectionals, the boys proved themselves worthy of praise. Coaches Joseph Campo and Vincent Annichiarico can indeed feel proud of this outstanding team, and the honor which they have bestowed upon Frankfort Schuyler Central School.

Frankfort-Schuylers 1961 football team definately proved itself a concrete example of what hard work, sportsmanship and team play can produce. Under the watchful eyes of coaches Campo, Woepple and Rotolo, the boys were able to compile a three and four record which placed them fourth in the Iroquois League Competition.

As the saying goes, all's well that ends well. By defeating first place Mohawk in their final game, the boys not only proved themselves a capable team, but also brought out the fact that next years team will find the going pretty rough without the eight seniors who will leave us in June. These boys are: Tom LaPuma, Quarterback; Dave Smizzi, Tackle; Jim Domina, Tackle; Jack Dempsey, End; Joe Green, Guard; Ben DiPiazza, End; Phil Nicastro, Guard; Joe Cacciatore, Guard.

I Remember! (cont.)

-the night the Seniors invaded the Herkimer Diner and put salt and mustard in the sugar.

-the day Dave Horan roamed into Mr. Wallace's room with a dripping vanilla ice-cream cone in his hand.

-who Tom La Puma called Mr. Murray

-the rise from Juniors to Seniors (for some) was a literal one - from the cellar to the attic.

-the night the Seniors went caroling with Mr. Mac Murray and Benny Juliano accompanied them on the bongos.

-the time we ended up bringing the pepper sandwiches from the Senior Concession to Barb Owen's party.

-that when Mr. Robinson speaks - everybody listens.

-not to sneeze in Mrs. Grave's room unless I have a handkerchief over my mouth.

-that Mr. Giotto likes to munch on candy bars in the homeroom when no one else is around.

-that Dave Horan and Jim Jeffalone sound more like the Everly Brothers than they do.

-when David Horan took an unexpected trip to Schenectady.

-when Barb Pandolf's hair changed from red to brown to black in one week.

Our Thanks

We the faculty advisors of the Maroon Log wish to compliment the staff for the fine work they have done and for their cooperation especially at times when things were difficult and frustrating. We believe that on the whole the staff did an excellent job.

We also wish to thank those students who lent their time and special talents to help the maroon Log staff. And we wish to give a special vote of thanks to Linda Juteau and Roberta Irons for doing so much extra typing for us.

We ask that the faculty forgive us the interruptions and annoyances the Maroon Log has caused them and hope that now that it is completed they will feel it was, after all, worthwhile.

Our best wishes to the Maroon Log staff and to the whole senior class a very successful future!

Mr. Kunz
